

# Transfer of Assets Instructions

Use this form to move some or all assets from another firm to Fidelity. Type on screen or fill in using CAPITAL letters and black ink. If you need more room for information or signatures, make a copy of the relevant page.

## Helpful to Know

- **Do NOT use this form to:**
  - Convert an IRA to a Roth IRA.
  - Roll over from a 529 college savings plan, ABLE account, 401(k), 403(b), or other workplace plan.
  - Transfer from a nonretirement checking account.
  - Transfer between retirement accounts if there is ANY difference in how the names appear on the accounts.
- Most transfers are faster at [Fidelity.com/toa](https://www.fidelity.com/toa).
- Use one form for each account you are transferring.
- Transfers can create legal issues (especially around beneficiaries and form of ownership), as well as tax issues and financial risks. Consult the appropriate professionals before making a transfer.
- **Avoid delays! Attach all pages of a recent account statement.**

## 1. Receiving Account Information

List ALL names EXACTLY as they appear on this account. Include any trustees. For UGMA/UTMA accounts, list the minor first, then the custodian. The two accounts must have at least one owner in common. Check the appropriate box for the type of account held at Fidelity. If it is an existing account, provide the account number. If it is a new account, select the box and include a completed new account application with this form. All account owners of this account must sign this form in Section 4.

## 2. Account Being Transferred

List ALL names EXACTLY as they appear on this account. Include any trustees. For UGMA/UTMA accounts, list the minor first, then the custodian. Check the appropriate box for the type of account held at the delivering firm. All account owners of this account must sign this form in Section 4.

## 3. Transfer Instructions

Complete ONLY subsection A, B, C, D, or E in Section 3. Providing information in more than one subsection may result in Fidelity not being able to process your request.

### Brokerage or Trust Company Transfer

If you are transferring an entire account that has options or margin trading privileges, you must also apply for options or margin to transfer positions that require options or margin. If you are transferring Mutual Fund positions held in your brokerage account, shares will be transferred in kind.

### Mutual Fund Company Transfer

Provide all fund account numbers if they are different from the account number provided in Section 2.

Certain proprietary mutual funds may not be eligible for in-kind transfers and must be liquidated.

### Bank or Credit Union Transfer

Do NOT use this form to transfer a nonretirement bank checking account. If you are liquidating a CD at maturity, submit your request at least 21 days, but not more than 60 days, before maturity, to ensure that we can process your request.

## Annuity Transfer

Many insurance companies require their own internal paperwork in order to process a TOA request. You should contact the annuity firm for additional requirements before you submit this form. All annuities must be surrendered (cashed in), which could mean tax implications, penalties, fees, and loss of product features.

## Transfer Agent Transfer

Complete this section to transfer direct-registered shares held electronically with the transfer agent. Certificated shares are not eligible for transfer. Contact Fidelity for deposit instructions. Contact the transfer agent to understand how cash proceeds from fractional shares will be handled.

## 4. Signatures and Dates

All owners of BOTH accounts must sign and date this form in Section 4. If an owner's name appears differently on different accounts, that owner must sign both ways.

## Registration Differences Requirements

If there is ANY difference in the owner name(s) or account type between Section 1 and Section 2, you must take the following steps:

**Nonretirement Accounts:** If the difference(s) between your Section 1 and Section 2 information are listed below, attach any documents indicated.
