

Mohawk Employees may purchase first quality residential and commercial carpet, carpet pad and hard surface products such as laminate, wood and resilient flooring at 10% above the manufacturing cost. Each employee may purchase up to a maximum of 500 square yards of flooring annually.

Mohawk offers one of the widest arrays of products in the flooring industry, so choosing just one can be quite a challenge! To decide what products you're interested in, visit local flooring retailers in your area or a Mohawk showroom. Obtain the Mohawk product name, style number and the color name and number of the item you want to purchase. Once you have this information, you may make a purchase by contacting:
