\*Rates are quoted as an Annual Percentage Rate. This special introductory rate is offered through the first 12 billing cycles, thereafter the rate may vary and is based on the prime rate (as published in the Wall Street Journal on the last business day of each month) plus a margin based on borrower's creditworthiness and ability to repay. The estimated APR rate is between 9.99% and 24.99%. Balance transfers must occur during the first three billing cycles.
