

# Gain the financial knowledge to move your life forward.

Insights by Regions can help you manage your money with confidence.

## [Insights by Regions](#)

At Regions, we believe that helping you get on the road to making the right financial decisions is crucial. Insights is a free online resource with financial tools, tips and calculators designed to help you make the best choices for you, your family and your business. Because when you're confident about your money, it goes further and so do you.

## Insights by Regions Money Management Courses – Exclusively for Regions Customers

As a Regions customer, you can also enjoy premium educational courses powered by EverFi, a leading education technology organization. These 15-minute online courses cover a range of financial topics, including:

HIGHER EDUCATION

To check out these courses for yourself, see your local Regions Banker for a registration code and then visit [atwork.everfi.net/regions](http://atwork.everfi.net/regions).

## [Regions My GreenInsights](#) – Exclusively for Regions Online Banking Customers

As a Regions Online Banking customer\*, you will also have access to Regions My GreenInsights. This set of personal financial management tools allows you to track and manage your spending, as well as your saving. You'll be able to create budgets and set both short-term and long-term goals. What's more, you'll be able to see all your finances – including accounts at other institutions – in one location. To get started, sign in to Regions Online Banking today and look for the Insights tab, or simply visit [regions.com/mygreeninsights](http://regions.com/mygreeninsights).

Check out [regions.com/insights](http://regions.com/insights) or, for your business needs, [regions.com/businessinsights](http://regions.com/businessinsights).
