Guide to making your claim

What you'll find in this package

- *Life insurance claim form* – You'll need to complete and return this to us with the death certificate.
- *About the Total Control Account* – This explains the option you have to receive your claim proceeds.

To submit your claim, follow these steps:

1. Decide

You have the following options to receive your life insurance proceeds:

- A Total Control Account that we open for you to hold your claim proceeds, or
- A check that we mail to you

Please read the enclosed *About the Total Control Account* for details. Please indicate your choice when completing the claim form. If you do not choose an option, you will receive a Total Control Account in most states unless state law requires us to pay you by check.

2. Complete

Complete the enclosed *Life insurance claim form* by following the instructions on the form. Please provide all the information requested so we may process your claim as quickly as possible.

3. Return

Please send us your completed claim form and the documents we ask for in Section 5 of the form.

What to expect after you submit your claim

We're committed to processing your claim as quickly as possible. Once we receive all your information, we're able to process a typical claim within 5-7 business days.

If we approve your claim and you chose to receive a check, or your proceeds are less than \$5,000, we'll mail you the check.

If you choose to receive your proceeds in a Total Control Account, we'll:

- Open a Total Control Account in your name
- Place the proceeds from your claim into your account, and
- Mail you a package, that includes account details and a book of personalized drafts (*like checks*)

Providing you with security and confidence to manage your insurance proceeds — Total Control Account[®]

MetLife's Total Control Account[®] (TCA) can reduce the worry of having to make financial decisions while grieving the loss of a loved one. We pay the full amount owed to you by placing the proceeds from your life insurance claim into the TCA to provide you the time you need to best decide how to use your funds. TCA is comparable to an interest-bearing checking account, but it's so much more...

Benefits of your TCA:

Immediate access to funds

- Earn interest from day one¹
- Guaranteed minimum interest of .50%²
- No need for a separate bank account

Simple and flexible

- Fee-free Visa debit card/ATM card
- Ability to link to popular payment apps/services such as PayPal[®], Venmo[®] or Square CashSM
- Transfer funds from your TCA at any time without fees through ACH and bank to bank wires

Valuable account features

- No monthly maintenance or service fees*
- No ATM fees or charges for writing drafts, reordering drafts or making withdrawals

* Special services fees may apply only for the following: draft copies (\$2), stop payment of drafts (\$10), overdrawn TCA (\$15), and overnight delivery service (\$25.)

Ongoing support and service

- Dedicated US-based customer service team
- View current balances, recent statements and transactions any time via our online portal

Easy to set up and manage:

STEP 1 File your claim and receive proceeds

Once your claim is approved, MetLife will place the insurance proceeds into the new TCA account and send out an informational TCA Welcome Kit immediately.

STEP 2 Access funds easily

Access your insurance proceeds immediately through either the TCA Visa debit card or by writing a draft. You can use your TCA debit card at the ATM, with PayPal, Venmo or Square Cash. With your TCA debit card, there's no minimum transaction amount and any fees you incur using your TCA debit card are credited right back to your account! If you prefer drafts, you can access your funds in any amount of \$250³ or more. You can use your TCA account to pay your bills online or by phone and even set up recurring payments for things like your mortgage, car payment, gym membership and more!

STEP 3 Manage your account

Receive monthly account statements⁴. You can also designate a beneficiary for your new TCA account, as well.

Other important information

- You can use a single draft to access the entire proceeds or several drafts for smaller amounts (*as little as \$250*). There are no limits on the number of drafts you can write. Processing time is similar to check processing.
- Subject to state law, and/or group policyholder direction, the Total Control Account is provided for all Life and AD&D benefits of \$5,000 or more. The Total Control Account is not insured by the Federal Deposit Insurance Corporation or government agency. The assets backing TCAs are maintained in MetLife's general account and are subject to MetLife's creditors. MetLife bears the investment risk of the assets backing the TCAs and expects to receive a profit. Regardless of the investment experience of such assets, the interest credited to the Total Control Account will never fall below the guaranteed minimum rate on your welcome guide. Guarantees are subject to the financial strength and claims paying ability of MetLife.
- If there is no activity on your account for a period of time (typically three years, but this may vary by state), state regulations may require that we contact you at the address we have on file. If we aren't able to reach you, we may be required to close your account and transfer the funds to the state.
- We may limit or suspend your access to the funds in your account if we suspect fraud or if there was an error in opening your account.
- We use the services of The Bank of New York Mellon, 701 Market Street, Philadelphia, PA 19106, for Total Control Account recordkeeping and draft clearing.
- You may move all or a portion of your Account balance (subject to applicable minimums) into any other settlement option for which you then qualify.
- A TCA generally is not available if your claim is less than \$5,000, you reside in a foreign country, or if the claimant is a corporation or similar entity.
- We may receive investment earnings from operating the Total Control Account. The performance results of any investments we make do not affect the interest rate we pay you.
- To learn more about TCA, please call us at 800-638-7283 or write us at Metropolitan Life Insurance Company, Total Control Account, PO Box 6300, Scranton, PA 18505-6300.

¹The interest rate on your account is set weekly and will always be the greater of the guaranteed rate stated in your TCA package, or the rate established by one of two indices monitored by MetLife. We calculate interest daily and compound it, so you earn interest on your interest. The interest is added to your account monthly. The interest earnings generally are taxable so you should speak with your tax advisor.

²Refer to your Customer Agreement for more details.

³Processing time is similar to check processing.

⁴If your account has no activity, we'll send you a statement once every three months.

MetLife Services and Solutions, LLC provides administrative services for Total Control Accounts (TCAs), Guaranteed Interest Certificates (GICs), and Minor on Deposit Accounts (MODAs) established in connection with policies issued by Metropolitan Life Insurance Company (MLIC), certain of MLIC's insurance company affiliates, and certain non-affiliates.

MetLife Estate Resolution ServicesSM (ERS)

If you're involved in settling the estate - as a beneficiary, executor or administrator - this service will help.

It can be challenging to settle an estate. That's why MetLife includes a valuable benefit called MetLife Estate Resolution Services(ERS) provided by MetLife Legal Plans¹, the nation's largest provider of group legal plans. This unique benefit provides legal services and support to probate the estate of the insured participant or the participant's spouse/domestic partner.

There is no additional cost for attorney's fees, no co-payment, and no claim forms to fill out when a participating MetLife Legal Plans attorney is used.

Legal resources when you need them most

If you're the **Executor** or **Administrator** of the estate, ERS will help you with the tasks required during probate. Some of these responsibilities are described on the next page.

If you're a **beneficiary** of this life insurance policy, you can speak with an attorney to discuss general questions about the probate process. Help is available to all beneficiaries, as well as to representatives of minor children who are beneficiaries.

What is probate?

Probate is the legal process used to settle an estate and distribute property and assets to the heirs. When someone dies and leaves a will, the will is "probated" to prove that it's valid.

Who is the Executor?

The Executor is named in the will to manage the probate process, pay outstanding debts and distribute property and assets as directed by the will.

Who is the Administrator?

The Administrator is an individual appointed by the probate court to settle the estate of a person who dies without a will, or "intestate." When probate is complete, the Administrator must distribute property and assets according to the "intestacy" laws of the state.

What's included

- Face-to-face or telephone consultations to discuss the probate process
- Preparation of required forms and documents
- Legal representation in probate court
- Assistance with letters, emails or other communications needed to transfer non-probate property, such as joint bank accounts, life insurance proceeds, etc.
- Associated tax filings

Getting started

1. Gathering important information

- The insured participant's Social Security number
- The name of the employer or group policyholder through which the insured participant obtained coverage
- The Customer or Experience Number

2. Call MetLife Legal Plans

Call MetLife Legal Plans at 1-800-821-6400, Monday through Friday, between 8:00 a.m. and 7:00 p.m. Eastern Time. Tell them you'd like to use MetLife Legal Plans. They'll ask for the information you gathered, give you a case number and provide the contact information for local MetLife Legal Plans attorneys in your area.

3. Contact the MetLife Legal Plans Attorney

Call the attorney to schedule an appointment and provide your case number. The attorney will provide the covered services at no cost to you.

Working with non-MetLife Legal Plans attorneys

If you prefer, you may use an out-of-network attorney. Simply call MetLife Legal Plans at 1-800-821-6400 and let them know. They will send you the Out of Network Attorney Fee Schedule and a claim form you can submit to request reimbursement. The benefit amount may not cover all of the attorney's fees and expenses, and MetLife will not pay more than the attorney's actual charges for the covered services. If your attorney's fees are higher than what the Out of Network Attorney Fee Schedule allows, the estate is responsible for paying the difference.

Services not covered by ERS

- Matters where there's a conflict of interest between the Executor, Administrator, any beneficiary or heir, and the estate
- Legal disputes with the group policyholder, employer, plan attorneys, MetLife and any of its affiliates
- Disagreements or legal disputes about statutory benefits such as worker's compensation or unemployment compensation
- Will contests or litigation outside Probate court
- Appeals

What does the Executor or Administrator do?

Duties vary by state, but usually include:

- *Filing a legal petition with the probate court* – officially requesting that the Executor named in the will, (or an Administrator), be allowed to manage the probate process.
- *Sending out death notifications* – letting other organizations like Social Security, Civil Services and Veterans Administration know that the person has died.
- *Collecting and listing the deceased's assets* – gathering and making a list of what the deceased owned, such as a house, car, bank account balances, insurance policies, investments, etc.
- *Making sure any claims against the estate are valid* – investigating any claims by companies or individuals that the deceased owed money to determine validity.
- *Paying expenses and debts* – paying bills such as the funeral bill, income and estate taxes, and expenses for administering the estate, as well as debts such as outstanding loans or credit card balances, and other money the deceased owed.
- *Canceling services* – stopping utilities, phone service, Internet accounts, credit cards, etc.
- *Receiving and tracking amounts payable to the estate* – keeping track of amounts paid to the estate, such as interest payments, stock dividends, additional income (*e.g. unpaid salary or vacation pay*) and other company benefits owed the deceased.
- *Handling correspondence* – responding to mail, email or phone calls about the deceased's financial affairs.
- *Summarizing all payments, receipts and expenses* – filing a report with the court itemizing all debts paid, receipts for purchases, income received and expenses associated with administering the estate to determine the net estate value.
- *Distributing property and assets to the heirs* – paying the net estate value to the heirs as directed by the will, or if there is no will, according to the "intestacy" laws of the state.
