We certify that you are insured under the Critical Illness Policy (herein called the Plan) issued to the Policyholder, subject to the definitions, exclusions, and other provisions of the Plan against loss resulting from Critical Illness. Certain provisions of the Plan are summarized in this Certificate. All provisions of the Plan, whether contained in your Certificate or not, apply to the insurance referred to by the Certificate.

The Effective Date of your Certificate is as shown in the Certificate Schedule if you are on that date Actively at Work. If not, this Certificate will become effective on the next date you are Actively at Work as an eligible Employee. This Certificate will remain in effect for the period for which the premium has been paid. This Certificate may be continued for further periods as stated in the Plan.

This Certificate is issued in consideration of the payment of the required premium and of your statements and representations in the Application. This Certificate, on its Effective Date, automatically replaces any Certificate or Certificates previously issued to you under the Plan. "You" and "your" refer to the Employee or any other Insured under Family Coverage. "We," "us," and "our" refer to the Company.

SECTION I - ELIGIBILITY, EFFECTIVE DATE AND TERMINATION

ELIGIBILITY

“You” as used in this Certificate means a person insured under this Certificate who is:

3. Engaged in full-time work; **and**
4. Included in the class of Employees eligible for coverage as shown on the Application.

EFFECTIVE DATE

The Effective Date of the Plan is shown on Page 1 of the Master Policy.

The Effective Date for you is as follows:

1. Your insurance will be effective on the date shown on the Certificate Schedule provided you are Actively at Work.
2. If you are not Actively at Work on the date coverage would otherwise become effective, the Effective Date of your coverage will be the date on which you are first thereafter actively at work.

The Effective Date for a Spouse or Dependent Child is the date shown on the Certificate Schedule Page subject to the following:

1. The date your insurance is effective for a Spouse or Dependent Child who is eligible on that date; for whom coverage is applied for and premium paid, and who is not hospital confined.
2. At 12:00 a.m. Standard time, on the day a Spouse or Dependent Child is no longer hospital confined if the Spouse or Dependent Child was otherwise eligible for coverage on the date your insurance became effective.
3. For a Spouse or Dependent Child eligible on or first acquired after your Effective Date, the Effective Date will be:
 - a. For newborn children, the Effective Date is the moment of birth, but we must be given notice of the birth within 31 days for coverage to continue beyond 31 days (see Section III, Definitions, Insured).

3. The date you cease to meet the definition of an Employee as defined in the Plan; **or**
4. The date you are no longer a member of the class eligible.

However, if an Employee dies while covered under a Certificate, then their surviving Spouse shall become the Insured if such Spouse is an Insured. If there is no surviving Spouse covered under the Certificate, then the Certificate shall terminate on the next premium due date.

Insurance for an insured Spouse or Dependent Child will terminate on the earliest of:

1. The date the Plan is terminated;
2. The date the Spouse or Dependent Child ceases to be a dependent; **or**
3. The premium due date following the date we receive your written request to terminate coverage for your Spouse and/or all Dependent Children.

Termination of the insurance on any Insured will not prejudice to his rights regarding any claim arising prior to termination.

Portability Privilege

When coverage would otherwise terminate under this Plan because you end employment with your Employer, you may elect to continue coverage. The coverage that may be continued is that which you had on the date your employment terminated, including Dependent coverage then in effect.

1. Coverage may not be continued for any of the following reasons:
 - a. You failed to pay any required premium;
 - b. This Group Policy terminates.
2. To keep the Certificate in force the Employee must:
 - a. Make written Application to the Company within 31 days after the date your insurance would otherwise terminate; **and**
 - b. Pay the required premium to the Company no later than 31 days after the date the Certificate would otherwise terminate.
3. Insurance will cease on the earliest of these dates:
 - a. The date you fail to pay any required premium; **or**

This type of diagnosis must be done by a certified Pathologist whose diagnosis of malignancy is in keeping with the standards set up by the American Board of Pathology.
2. **Clinical Diagnosis** - A Clinical Diagnosis of Cancer or Carcinoma in Situ is based on the study of symptoms.

We will pay benefits for a Clinical Diagnosis **only if**:

3. Once benefits have been paid for a Critical Illness, no additional benefits are payable for that same Critical Illness unless the Dates of Diagnosis are separated by at least 12 months (or for Cancer, at least 12 months treatment free). SPECIFIED CRITICAL ILLNESS RIDER TO CERTIFICATE OF INSURANCE FOR CRITICAL ILLNESS

This Rider is part of the Certificate to which it is attached. We have issued this Rider because:

- We have accepted your Application, **and**
- You paid the additional premium for this Rider.

Unless amended by this Rider, all Certificate definitions, exclusions, limitations, terms, and other provisions apply. For the purpose of this Rider, “you” (including “your” and “yours”) may refer to the primary Insured or the primary Insured’s covered Dependents.

Effective Date

If issued at the same time as the Certificate, this Rider becomes effective on the Certificate Effective Date. If issued after the Certificate, this Rider will have a later Effective Date, which is shown in the Rider Schedule following this Rider.

Definitions

When the terms below are used in this Rider, the following definitions will apply (other applicable terms and definitions are included in the **Definitions** section of your Certificate):

Covered Accident means an unforeseen and unexpected traumatic event resulting in bodily injury. An event meets the qualifications of Covered Accident if it:

- Occurs on or after the Plan’s Effective Date,
- Occurs while coverage is in force, **and**
- Is not specifically excluded.

A Covered Accident **must** occur while you are covered by this Rider.

Date of Diagnosis is defined for each Specified Critical Illness as follows:

- **Benign Brain Tumor:** The date a Doctor determines a Benign Brain Tumor is present based on examination of tissue (biopsy or surgical excision) or specific neuroradiological examination.
- **Coma:** The first day of the period for which a Doctor confirms a Coma has lasted for 7 consecutive days.
- **Loss of Sight, Speech, or Hearing:** The date the loss is objectively determined by a Doctor to be total and irreversible.
- **Occupational HIV:** The date a Doctor determines you are HIV positive as supported by the ELISA test, Western Blot test, or another test approved by the FDA.
- **Paralysis:** The date a Doctor establishes the Diagnosis of Paralysis on clinical and/or laboratory findings as supported by medical records (based on the Paralysis definition).
- **Severe Burn:** The date the burn takes place.

Diagnosis (also Diagnosed) refers to the definitive and certain identification of an illness that:

- Is made by a Doctor **and**
- Is based on clinical or laboratory investigations, as supported by the Insured's medical records.

The illness **must** meet the requirements outlined in this Rider for the particular Specified Critical Illness being Diagnosed.

Diagnosis must be made and treatment must be received in the United States.

HIV-Specific Covered Injury means an accidental:

- Cutaneous exposure through abraded skin,
- Percutaneous exposure, **or**
- Mucocutaneous exposure.

An HIV-Specific Covered Injury **must** occur while you are covered by this Rider.

Specified Critical Illness is one of the illnesses defined below and shown in the Rider Schedule:

Benign Brain Tumor is a mass or growth of abnormal, noncancerous cells in the brain. The tumor is composed of similar cells that do not follow normal cell division and growth patterns and develop into a mass of cells that microscopically do not have the characteristic appearance of a Cancer.

Coma means a state of unconsciousness for 7 consecutive days with:

- No reaction to external stimuli,
- No reaction to internal needs, **and**
- The use of life support systems.

HIV means Human Immunodeficiency Virus.

HIV Positive means the presence of HIV antibodies in the blood. This must be evidenced by:

- A positive screening test enzyme-linked immunosorbent assay (ELISA) **and**
- A positive supplement test, such as the Western Blot.

All such tests must be approved by the Food and Drug Administration (FDA), and the interpretation of positive results must be in keeping with the manufacturer's specifications.

Occupational HIV refers to your testing positive for HIV as a direct result of an HIV-Specific Covered Injury, subject to **all three** of the following provisions:

1. You must file an incident report (notice of exposure) with your Employer within 48 hours of the positive test result. This report must:
 - Be on a form acceptable to the Company,
 - Describe the nature of the exposure to HIV, **and**
 - Be sent to the Company as soon as reasonably possible after the Covered Injury.
2. You must not have previously tested positive for HIV. If you had previously tested positive for HIV, you must have subsequently tested negative for HIV before the date of the Covered Injury.

3. You must have a preliminary HIV screening test—such as an ELISA or other appropriate Food and Drug Administration (FDA) approved test (other than saliva or urine testing)— within 14 days of the Covered Injury at an authorized laboratory other than the laboratory of your employer. We must receive notification of the **negative** results as soon as reasonably possible.

Thereafter, you must test HIV positive within 26 weeks of the date of that Covered Injury.

Loss of Sight, Speech, or Hearing

- **Loss of Sight** means the total and irreversible loss of all sight in both eyes.

Severe Burn or **Severely Burned** means a burn resulting from fire, heat, caustics, electricity, or radiation. The burn must:

- Be a full-thickness or third-degree burn, as determined by a Doctor. A **Full-Thickness Burn** or **Third-Degree Burn** is the destruction of the skin through the entire thickness or depth of the dermis (or possibly into underlying tissues). This results in loss of fluid and sometimes shock.
- Cause cosmetic disfigurement to the body's surface area of at least 35 square inches.

Waiting Period means the number of days after the Effective Date before we will pay benefits for loss due to a Specified Critical Illness. We will not pay benefits for a Specified Critical Illness that begins during the Waiting Period.

Benefit Provisions

We will pay the Specified Critical Illness Benefit if you are Diagnosed with one of the Specified Critical Illnesses shown in the Rider Schedule **if**:

- The Date of Diagnosis is after the Waiting Period,
- The Date of Diagnosis is while this Rider is in force, **and**
- The Specified Critical Illness is not excluded by name or by specific description in this Rider.

We will pay the indicated percentages of the applicable benefit amount shown in the Rider Schedule for loss occurring while this Rider is in force. We will not pay benefits under this Rider if these conditions

result from another Specified Critical Illness. For benefits to be payable on multiple Specified Critical Illnesses, the date of loss for each Illness must be separated by at least 12 months.

Limitations and Exclusions

This Plan contains a 30-day Waiting Period. This means that we will not pay benefits to an Insured who has been Diagnosed before his coverage has been in force 30 days from the Effective Date. If a Critical Illness is first Diagnosed during the Waiting Period, we will only pay benefits for loss beginning after coverage has been in force for 12 months. Or, the Insured may elect to void the Certificate from the beginning and receive a full premium refund.

The Rider Schedule shows the premium amount. Premiums for this Rider must be paid for the number of years shown in the Rider Schedule or until the Rider terminates.

This Rider is subject to all of the terms of the Critical Illness Certificate to which it is attached unless those terms are inconsistent with this Rider.

TO CERTIFICATE OF INSURANCE
FOR CRITICAL ILLNESS**

This Rider is a part of the Certificate to which it is attached. We have issued this Rider to you because: (1) you paid the additional premium for this Rider; and (2) we relied on the application you made. Unless amended by this Rider, Certificate Definitions, other Provisions and terms apply to this Rider.

Effective Date - If issued at the same time as the Certificate, this Rider becomes effective when the Certificate becomes effective. If issued after the Certificate becomes effective, this Rider will have a later Effective Date, which will be shown in the Certificate Schedule. The insurance of a Dependent Child will become effective on the Rider date if such person is active on that date. Otherwise, the Effective Date will be deferred until the day following the date he becomes active.

DEFINITIONS

When the terms below are used in this Rider, the following definitions will apply:

YOU, YOUR means the person named in the Certificate Schedule.

DEPENDENT CHILD(REN) means your natural Children, step-Children, foster Children, legally adopted Children or Children placed for adoption, who are younger than age 26.

Your natural Children born after the Effective Date of this Rider will be covered from the moment of live birth. No notice or additional premium is required.

Children for whom a decree of adoption has been entered by you and/or your Spouse (or for whom adoption proceedings have been instituted by you and/or your Spouse), shall be covered automatically from birth. A decree of adoption must be entered within one year from the date proceedings were instituted, unless extended by order of the court, and you and/or your Spouse must continue to have custody pursuant to the decree of the court.

However, if any Child is incapable of self-sustaining employment due to mental retardation or physical handicap and is dependent on a parent(s) for support, the above age of 26 shall not apply. Proof of such incapacity and dependency must be furnished to the Company within thirty-one (31) days following such 26th birthday.

ACTIVE means a Dependent Child who is not confined in a hospital and who is able to carry on regular activities customary of a person in good health of the same age and sex.

TREATMENT means consultation, care or services provided by a physician including diagnostic measures and taking prescribed drugs and medicines.

BENEFITS

If a Dependent Child contracts a Specified Critical Illness after any applicable Waiting Period and while this Rider is in force, we will provide the benefits contained in the Certificate under the Benefits Section. The appropriate benefit amounts we will pay for the Dependent are shown in the Certificate Schedule.

LIMITATION AND EXCLUSIONS

This Rider contains a 30-day "Waiting Period". This means no benefits are payable for any covered Dependent Child who has been diagnosed before coverage has been in force 30 days from his "Effective Date." If a Dependent Child is first diagnosed during the "waiting period", benefits for treatment of that Critical Illness or Specified Procedure will apply only to loss commencing after 12 months from the "Effective Date" of his coverage; or, at your option, you may elect to void his coverage from the beginning and receive a full refund of any applicable premium.

EXCLUSIONS

We won't pay for loss due to:

1. Intentionally self inflicted injury or action.
2. Suicide or attempted suicide while sane or insane.
3. Illegal activities or participation in an illegal occupation.
4. War - declared or undeclared or military conflicts, participation in an insurrection or riot, civil commotion or state of belligerence.
5. Substance Abuse.

GENERAL PROVISIONS

If your Dependent Child's coverage is terminated because of marriage or attainment of the limiting age, we will still pay benefits for any covered condition that was diagnosed while the Dependent was covered under this Rider.

TIME LIMIT ON CERTAIN DEFENSES

After two years from the effective date of coverage, no misstatements, except fraudulent misstatements, made by the applicant in the application shall be used to void the coverage or to deny a claim for confinement to a hospital for a covered specified critical illness commencing after the expiration of such two-year period.

No claim for loss incurred after two years from the effective date of coverage shall be reduced or denied on the grounds that a disease or physical condition, not excluded from coverage by name or specific description, had existed prior to such effective date.

CONTRACT

This Rider is part of the Certificate, and will terminate when the Certificate terminates, or when premiums are no longer paid for this Rider.

This Rider is subject to all of the terms of the Certificate to which it is attached unless any such terms are inconsistent with the terms of this Rider.

Signed by the Company at our Home Office.

**ADDITIONAL BENEFITS FOR DEPENDENT CHILDREN RIDER
TO CERTIFICATE OF INSURANCE FOR CRITICAL ILLNESS**

This Rider is part of the Certificate to which it is attached. We have issued this Rider because:

- We have accepted your Application, **and**
- You paid the additional premium for this Rider.

Unless amended by this Rider, all Certificate definitions, exclusions, limitations, terms, and other provisions apply. For the purpose of this Rider, “you” (including “your” and “yours”) may refer to the primary Insured or the primary Insured’s Spouse.

Effective Date

If issued at the same time as the Certificate, this Rider becomes effective on the Certificate Effective Date. If issued after the Certificate, this Rider will have a later Effective Date, which is shown in the Rider Schedule following this Rider.

Definitions

When the terms below are used in this Rider, the following definitions will apply (other applicable terms and definitions are included in the **Definitions** section of your Certificate):

Dependent Children are your natural children, step-children, legally adopted children, foster children, or children placed for adoption who are younger than age 26.

Children Placed for Adoption are Children for whom you have entered a decree of adoption or for whom you have instituted adoption proceedings. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. You must continue to have custody pursuant to the decree of the court.

Coverage on a Dependent Child will terminate on the last day of the month in which the Child attains age 26. If coverage for your Dependent Child terminates, we will provide coverage for claims arising from Specified Critical Illnesses that were first Diagnosed while your Dependent Child’s coverage was in force.

There is an exception to the age-26 limit listed above. This limit will not apply to any Child who is incapable of self-sustaining employment due to mental or physical handicap and is dependent on a parent for support. The Employee or Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Child’s 26th birthday.

This Rider will cover Dependent Children from the moment of live birth in the following circumstances:

- Your natural Child is born after this Rider’s Effective Date. You do not have to provide notice or pay any additional premium.

- You enter a decree of adoption for a Child, **or** you and/or your Spouse have initiated adoption proceedings for a Child. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. You or your Spouse must continue to have custody pursuant to the decree of the court.

Diagnosis (also Diagnosed) refers to the definitive and certain identification of an illness that:

- Is made by a Doctor **and**
- Is based on clinical or laboratory investigations, as supported by the Insured's medical records.

The illness **must** meet the requirements outlined in this Rider for the particular Specified Critical Illness being Diagnosed.

Specified Critical Illness is one of the following illnesses defined below and shown in the Rider Schedule:

Cystic Fibrosis is a hereditary chronic disease of the exocrine glands. This disease is characterized by the production of viscid mucus that obstructs the pancreatic ducts and bronchi, leading to infection and fibrosis.

Cerebral Palsy is a disorder of movement, muscle tone, or posture that is caused by injury or abnormal development in the immature brain. Cerebral Palsy can be characterized by stiffness and movement difficulties, involuntary and uncontrolled movements, or a disturbed sense.

- **Spastic Cerebral Palsy** is characterized by stiffness and movement difficulties.
- **Athetoid Cerebral Palsy** is characterized by involuntary and uncontrolled movements.
- **Ataxic Cerebral Palsy** is characterized by a disturbed sense of balance and depth perception.

Cleft Lip occurs when there is an opening (one or two vertical fissures) in the lip. A **Cleft Palate** occurs when the two sides of a palate do not join, resulting in an opening in the roof of the mouth or soft tissue in the back of the mouth. Sometimes, an opening in the bones of the upper jaw or upper gum accompanies a Cleft Palate.

A Cleft Lip or Palate can occur on one or both sides of the face. If a Child has both a Cleft Lip and Cleft Palate or has one on each side of the face, we will pay this benefit only once.

Down Syndrome is a chromosomal condition characterized by the presence of an extra copy of genetic material on the 21st chromosome, either in whole or part.

Spina Bifida refers to any birth defect involving incomplete closure of the spine. This includes:

- **Spina Bifida Cystica**, which is a condition where a cyst protrudes through the defect in the vertebral arch.
- **Spina Bifida Occulta**, which is a condition where the bones of the spine do not close, but the spinal cord and meninges remain in place. Skin usually covers the defect.
- **Meningocele**, which is a condition where the tissue covering the spinal cord sticks out of the spinal defect, but the spinal cord remains in place.
- **Myelomeningocele**, which is a condition where the unfused portion of the spinal column allows the spinal cord to protrude through an opening. The meningeal membranes that cover the spinal cord form a sac enclosing the spinal elements.

Benefit Provisions

While this Rider is in force, if a Dependent Child is Diagnosed with a covered Critical Illness or Specified Critical Illness after any applicable Waiting Period, we will pay the benefit amounts shown in the Dependent Child Benefit Rider Schedule.

Limitations and Exclusions

This Plan contains a 30-day Waiting Period. This means that we will not pay benefits for a Dependent Child who has been Diagnosed before the Dependent Child's coverage has been in force 30 days from the Effective Date. If a Critical Illness is first Diagnosed during the Waiting Period, we will only pay benefits for loss beginning after coverage has been in force for 12 months. Or, the Insured may elect to void the Certificate from the beginning and receive a full premium refund.

Exclusions

We will not pay for loss due to **any** of the following:

- **Self-Inflicted Injuries** – injuring or attempting to injure yourself intentionally or taking action that causes you to become injured
- **Suicide** – committing or attempting to commit suicide, while sane or insane
- **Illegal Acts** – participating or attempting to participate in an illegal activity, or working at an illegal job
- **Participation in Aggressive Conflict** of any kind, including:

 - Abuse of legally-obtained prescription medication
 - Illegal use of non-prescription drugs

The benefits are available to covered Dependent Children as defined in your Certificate. Diagnosis must occur while the Rider is in force.

If issued at the same time as the Rider, this Amendment becomes effective when the Rider becomes effective. If issued after the Rider, this Amendment will have a later Effective Date.

Definitions

When the terms below are used in this Amendment, the following definitions apply (other applicable terms and definitions are included in the **Definitions** section of your Certificate and Rider):

Date of Diagnosis is defined as follows:

Autism Spectrum Disorder is a biological based neurodevelopment disorder characterized by impairment in two major domains:

- Deficits in social communication and interaction; and

A Doctor must Diagnose Autism Spectrum Disorder based on DSM-V diagnostic criteria. The Diagnosis must include the DSM-V severity level specifier for both major domains listed above.

Benefit Provision

We will pay the benefit shown on the Rider Schedule if a Dependent Child is first Diagnosed with Autism Spectrum Disorder and if the Date of Diagnosis is while this Amendment is in force. If there are multiple DSM-V severity levels, we will pay the benefit for the highest level of severity. No benefit is payable if the DSM-V severity level is less than Level 1.

Payment of the benefit contained in this Amendment is subject to the Critical Illness Benefit provisions in your Certificate. The benefit contained in this Amendment is considered to be a Critical Illness as defined in your Certificate.

NOTICE OF PRIVACY PRACTICES – PROTECTED HEALTH INFORMATION

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY. The terms of this Notice of Privacy Practices – Protected Health Information (“Notice”) apply to Protected Health Information (defined below) associated with Health Plans (defined below) issued by American Family Life Assurance Company of Columbus, American Family Life Assurance Company of New York, Continental American Insurance Company (CAIC), and Continental American Life Insurance Company (collectively, “we,” “our,” or “Aflac”). This Notice describes how CAIC may use and disclose Protected Health Information to carry out payment and health care operations, and for other purposes that are permitted or required by law.

We are required by the privacy regulations issued under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) to maintain the privacy of Protected Health Information and to provide our policyholders and certificateholders with notice of our legal duties and privacy practices concerning Protected Health Information. In the event applicable law, other than HIPAA, prohibits or materially limits our uses and disclosures of Protected Health Information, as set forth below, we will restrict our uses or disclosure of your Protected Health Information in accordance with the more stringent standard. We are required to abide by the terms of this Notice so long as it remains in effect. We reserve the right to change the terms of this Notice of Privacy Practices as necessary and to make the new Notice effective for all Protected Health Information maintained by us. If we make material changes to our privacy practices, we will mail copies of revised notices to all policyholders and certificateholders then covered by a Health Plan. Copies of our current Notice may be obtained by contacting CAIC at the telephone number or address below, or on our Web site at www.aflacgroupinsurance.com.

DEFINITIONS

Health Plan means, for purposes of this Notice, the following plans issued by CAIC: dental, specified disease (e.g., cancer), hospital indemnity and other coverages that meet the definition of Health Plan contained in HIPAA. The following products are not considered Health Plans: coverage only for accident, or disability income insurance, or any combination thereof, life insurance, and other coverages that do not meet the definition of Health Plan contained in HIPAA.

Protected Health Information (“PHI”) means individually identifiable health information, as defined by HIPAA, that is created or received by CAIC and that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or for which there is a reasonable basis to believe the information can be used to identify the individual. PHI includes information of persons living or deceased, unless the person has been deceased more than 50 years.

USES AND DISCLOSURES OF YOUR PROTECTED HEALTH INFORMATION

The following categories describe different ways that we use and disclose PHI. For each category of uses and disclosures we will explain what we mean and, where appropriate, provide examples for illustrative purposes. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted or required to use and disclose PHI will fall within one of the categories.

Uses and Disclosures for Payment – We may make requests, uses, and disclosures of your PHI as necessary for payment purposes. For example, we may use information regarding your medical procedures and treatment to process and pay claims. We may also disclose your PHI for the payment purposes of a health care provider or another Health Plan.

Uses and Disclosures for Health Care Operations – We may use and disclose your PHI as necessary for our health care operations. Examples of health care operations include underwriting, premium rating, or other activities relating to the creation, renewal, or replacement of a Health Plan, reinsurance, compliance, auditing, rating, business management, quality improvement and assurance, and other functions related to your Health Plan. Unless permitted by HIPAA, we are prohibited from using or disclosing your PHI that is genetic information for underwriting purposes.

Family and Friends Involved in Your Care – If you are available and do not object, we may disclose your PHI to your family, friends, and others who are involved in your care or payment of a claim. If you are unavailable or incapacitated and we determine that a limited disclosure is in your best interest, we may share limited PHI with such individuals. For example, we may use our professional judgment to disclose PHI to your spouse concerning the processing of a claim. If you do not wish CAIC to share PHI with your spouse or others, you may exercise your right to request a restriction on CAIC's disclosures of your PHI (see below).

Business Associates – Certain aspects and components of our services are performed through contracts with outside persons or organizations. Examples of these outside persons and organizations include our duly-appointed insurance agents and vendors that help us process your claims. At times it may be necessary for us to provide certain of your PHI to one or more of these outside persons or organizations.

Other Products and Services – We may contact you to provide information about other health-related products and services that may be of interest to you. For example, we may use and disclose your PHI for the purpose of communicating to you about our health insurance products that could enhance or substitute for existing Health Plan coverage, and about health-related products and services that may add value to your Health Plan.

Other Uses and Disclosures – We may make certain other uses and disclosures of your PHI without your authorization:

- We may use or disclose your PHI for any purpose required by law. For example, CAIC may be required by law to use or disclose your PHI to respond to a court order.
- We may disclose your PHI for public health activities, such as reporting of disease, injury, birth and death, and for public health investigations.
- We may disclose your PHI to the proper authorities if we suspect child abuse or neglect; we may also disclose your PHI if we believe you to be a victim of abuse, neglect, or domestic violence.
- We may disclose your PHI if authorized by law to a government oversight agency (e.g., a state insurance department) conducting audits, investigations, or civil or criminal proceedings.
- We may disclose your PHI in the course of a judicial or administrative proceeding (e.g., to respond to a subpoena or discovery request).
- We may disclose your PHI to the proper authorities for law enforcement purposes.
- We may disclose your PHI to coroners, medical examiners, and/or funeral directors consistent with law.
- We may use or disclose your PHI for cadaveric organ, eye or tissue donation.
- We may use or disclose your PHI for research purposes, but only as permitted by law.
- We may use or disclose PHI to avert a serious threat to health or safety.
- We may use or disclose your PHI if you are a member of the military as required by armed forces services, and we may also disclose your PHI for other specialized government functions such as national security or intelligence activities.
- We may disclose your PHI to workers' compensation agencies for your workers' compensation benefit determination.
- We will, if required by law, release your PHI to the Secretary of the Department of Health and Human Services for enforcement of HIPAA.

Your Authorization – Except as outlined above, we will not use or disclose your PHI unless you have signed a form authorizing the use or disclosure. You have the right to revoke that authorization in writing except to the extent that we have taken action in reliance upon the authorization or that the authorization was obtained as a condition of obtaining insurance, and we have the right, under other law, to contest a claim under the plan itself.

- The following are examples of when your authorization would be required prior to use and disclosure:
 - Most uses and disclosures of your psychotherapy notes.
 - Uses and disclosures of your PHI for marketing purposes.
 - Uses and disclosures that constitute a sale of PHI.

Breach of Unsecured PHI – If CAIC or a Business Associate of CAIC causes a breach to occur that involved your unsecured PHI, we are required by law to notify you of the incident.

RIGHTS THAT YOU HAVE

Access to Your PHI – You have the right to copy and/or inspect certain PHI that we maintain about you. Certain requests for access to your PHI must be in writing, must state that you want access to your PHI and must be signed by you or your representative (e.g., requests for medical records provided to us directly from your health care provider). We must provide you with access to your PHI in the form or format requested by you, if it is readily producible in such form or format, or, if not, in a form or format agreed upon by you and CAIC. Access request forms are available from CAIC at the address below. We may charge you a fee for copying and postage.

Amendments to Your PHI – You have the right to request that PHI that we maintain about you be amended or corrected. We are not obligated to make all requested amendments but will give each request careful consideration. To be considered, your amendment request must be in writing, must be signed by you or your representative, and must state the reasons for the amendment/correction request. Amendment request forms are available from CAIC at the address below.

Accounting for Disclosures of Your PHI – You have the right to receive an accounting of certain disclosures made by us of your PHI. Examples of disclosures that we are required to account for include those to state insurance departments, pursuant to valid legal process, or for law enforcement purposes. To be considered, your accounting requests must be in writing and signed by you or your representative. Accounting request forms are available from CAIC at the address below. The first accounting in any 12-month period is free; however, we may charge you a fee for each subsequent accounting you request within the same 12-month period.

Restrictions on Use and Disclosure of Your PHI – You have the right to request restrictions on certain of our uses and disclosures of your PHI for insurance payment or health care operations, disclosures made to persons involved in your care, and disclosures for disaster relief purposes. For example, you may request that we not disclose your PHI to your spouse. Your request must describe in detail the restriction you are requesting. HIPAA does not require us to agree to your request but we will accommodate reasonable requests when appropriate. We retain the right to terminate an agreed-to restriction if we believe such termination is appropriate. In the event of a termination by us, we will notify you of such termination. You also have the right to terminate, in writing or orally, any agreed-to restriction. Requests for a restriction (or termination of an existing restriction) may be made by contacting CAIC at the telephone number or address below.

Request for Confidential Communications – You have the right to request that communications regarding your PHI be made by alternative means or at alternative locations. For example, you may request that messages not be left on voice mail or sent to a particular address. We are required to accommodate reasonable requests if you inform us that disclosure of all or part of your information could place you in danger. Requests for confidential communications must be in writing, signed by you or your representative, and sent to CAIC at the address below.

Right to a Copy of the Notice – You have the right to a paper copy of this Notice upon request by contacting CAIC at the telephone number or address below.

Complaints – If you believe your privacy rights have been violated, you can file a complaint with CAIC in writing at the address below. You may also file a complaint in writing with the Secretary of the U.S. Department of Health and Human Services in Washington, D.C., within 180 days of a violation of your rights. There will be no retaliation for filing a complaint.
