### Benefit Payment

Your plan pays a lump-sum **Initial Benefit** upon the first verified diagnosis of a Covered Condition. Your plan also pays a lump-sum **Recurrence Benefit<sup>4</sup>** for a subsequent verified diagnosis of certain Covered Conditions as shown in the table below. A Recurrence Benefit is only available if an Initial Benefit has been paid for the same Covered Condition. There is a Benefit Suspension Period that applies to Recurrence Benefits. In addition, there is a Benefit Suspension Period that applies to Initial Benefits for different conditions.

The maximum amount that you can receive through your Critical Illness Insurance plan is called the **Total Benefit Amount** and is 5 times the amount of your Benefit Amount. This means that you can receive multiple benefit payments until you reach the maximum of \$25,000, \$50,000, \$75,000, \$100,000, \$125,000, \$150,000, \$175,000, \$200,000, \$225,000 or \$250,000.
